

• DAILY DRINK FEATURES •

HOTEL BELMONT was originally built over 100 years ago. Our daily features pay tribute to the venues located here throughout its history.

NELSON BEER PARLOUR MONDAYS

ALL DRAUGHT BEER 5

When the original Hotel Belmont first changed to the Nelson Place Hotel, the main floor ballroom was converted into The Nelson Beer Parlour, a popular watering hole for thirsty professionals working in the area. Professionals are still just as thirsty now as they were then, so we pay homage with \$5 draft beer every Monday.

BABALU TUESDAYS

CLASSIC COCKTAILS 8

*Negroni • Paper Plane
Hemingway Daiquiri • Old Fashioned • Cosmopolitan*

Crooner Michael Buble once graced the stage regularly in what is now The Living Room and even named his first album after the swanky cocktail bar BaBalu. Enjoy our \$8 Classic Cocktails on Tuesdays, while you try to decide which of our staff members will be the next big thing.

THE CELLAR WEDNESDAYS

50% OFF BOTTLES OF WINE

The Cellar downstairs was a popular live music venue which hosted many fledgling Vancouver bands before they made the big time. We open our wine cellar for you on Wednesdays by taking 50% off of all bottled wine (And we've still got great music).

CHAMPAGNE CHARLIE'S THURSDAYS

CHANDON BRUT 8 | MOËT & CHANDON 100

What is now The Basement was once an adult entertainment club known as Champagne Charlies. Though we don't offer the same form of entertainment, we hope that you'll enjoy some bubbles with us on Thursdays in honour of Charlie and his hard working staff!

HOTEL BELMONT SUNDAYS

ALL DAILY FEATURES

We celebrate our past, present, and future with Hotel Belmont Sundays, and all of our daily drink features. Whether you feel like beer, bubbles, something from The Cellar, or one of the classics, we're sure you'll find something special to wet your whistle.
